

08:30 -> 09:30 -> EVENTS OPENS & REGISTRATION

---

09:30 -> 09:40 -> WELCOME ADDRESS  
Moderators Introduction To NetZero - Industry

ANUSHKA DEVASER  
Associate Director – Sustainability & Climate Change  
WSP

---

09:40 -> 10:00 -> PRESENTATION  
Hydrogen and Industrial Carbon capture: Perspectives on Net Zero for Industry

PARO KONAR  
Jobshare Director, Hydrogen and Industrial Carbon Capture Directorate  
BEIS

---

10:00 -> 10:15 -> PRESENTATION  
Industrial Cluster Decarbonisation

WILLIAM JOYCE  
Innovation Lead - Industrial Decarbonisation  
UK Research and Innovation

---

10:15 -> 10:30 -> PRESENTATION  
A Template for Decarbonisation in Industrial Clusters

CHRIS ROBINSON  
Industrial Decarbonisation Project Manager  
Tees Valley Combined Authority

---

10:30 -> 11:00 -> PANEL DISCUSSION

Supply Chain Challenges, Developing Skills and Market Certainty within Industrial Decarbonisation

WILLIAM JOYCE

Innovation Lead - Industrial Decarbonisation  
UK Research and Innovation

CHRIS ROBINSON

Industrial Decarbonisation Project Manager  
Tees Valley Combined Authority

CHRIS GILBERT

UK Decarbonisation Lead  
Phillips 66

SHREE KUMAR RAKSHIT

Director, ESG and Net Zero Transformation  
PwC Strategy&

---

11:00 -> 11:30 -> COFFEE BREAK

---

11:30 -> 11:45 -> PRESENTATION

Water: The New Net Zero

COLIN ROBINSON

Business Manager, UK & Ireland  
Evides

---

11:45 -> 12:15 -> PANEL DISCUSSION

Decarbonising the East Coast Cluster and Low Carbon Flexible Power in a NetZero World

COLIN ROBINSON

Business Manager, UK & Ireland  
Evides

IAN LIVINGSTON

Low Carbon Solutions  
Equinor

HANNAH BRONWIN

Director - Business Development  
SSE Thermal

---

12:15 -> 12:30 -> PRESENTATION

Providing the Catalyst for Development of a Hydrogen Economy across NW England

JOSEPH SEIFERT

CEO  
Vertex Hydrogen

---

12:30 -> 12:45 -> PRESENTATION

HyNet: Demonstrating Industrial Hydrogen Use

ADAM BADDELEY

Head of Industrial Hydrogen  
Progressive Energy

---

12:45 -> 13:15 -> PANEL DISCUSSION  
Advancing Hydrogen through the Hynet Cluster

JOSEPH SEIFERT  
CEO  
Vertex Hydrogen

ADAM BADDELEY  
Head of Industrial Hydrogen  
Progressive Energy

DAVID WATSON  
Head of Energy Transition  
Cadent Gas

---

13:15 -> 14:15 -> LUNCH

---

14:15 -> 14:30 -> PRESENTATION  
The Greenest Energy is the One we do not need to Produce

MARIA ROSELL  
Regional Division Manager, Energy, UK & Ireland  
ALFA LAVAL

---

14:30 -> 14:50 -> PRESENTATION  
Decarbonisation: A Future worth getting Excited about?

DAVID COLE  
Director of Project Solutions  
KBR

---

14:50 -> 15:05 -> PRESENTATION

Delivering a Decarbonisation Strategy, Fuel-Switching and CCS

MARIAN GARFIELD  
Director of Sustainability  
Hanson UK

---

15:05 -> 15:35 -> PANEL DISCUSSION

Committing to Reaching NetZero Carbon by 2050

DAVID COLE  
Director of Project Solutions  
KBR

MARIAN GARFIELD  
Director of Sustainability  
Hanson UK

SILVIAN BALTAC  
Industrial Decarbonisation, CCUS and Hydrogen  
Element Energy

SARAH LE GRESLEY  
Innovation Director  
Michelmersh

---

15:35 -> 16:00 -> COFFEE BREAK

---

16:00 -> 16:15 -> PRESENTATION

A European Decarbonisation Outlook

ANISE GANBOLD  
Research Lead, Commodities and Hydrogen  
Aurora Energy Research

**16:15 -> 16:30 -> PRESENTATION**  
**Efficient High Temperature Processes**

ROB BELL  
Technical Director  
C-Tech Innovation

---

**16:30 -> 17:00 -> PANEL DISCUSSION**  
**Making Low Carbon Investment a more Viable Option and Supporting Solution Providers**

ERUSA ADIZIE  
NetZero Manager  
Tarmac

ROB BELL  
Technical Director  
C-Tech Innovation

Maarten Van Roon  
Chief Commercial Officer  
CARBON8

---

**17:00 -> 17:15 -> PRESENTATION**  
**Challenges of Decarbonising Dispersed Sites**

PETER TAYLOR  
Chair in Sustainable Energy Systems  
UK ENERGY RESEARCH CENTRE  
UNIVERSITY OF LEEDS

---

17:15 -> 17:30-> PRESENTATION

Frontier Decarbonisation Projects within Glass Manufacturing

ROB IRESON

Innovation and Partnerships Manager

GLASS FUTURES

---

17:30 -> 18:00-> PANEL DISCUSSION

Industry Decarbonisation Strategies – Technologies, Products outputs, and Trade Patterns

PETER TAYLOR

Chair in Sustainable Energy Systems

UK ENERGY RESEARCH CENTRE

UNIVERSITY OF LEEDS

ROB IRESON

Innovation and Partnerships Manager

GLASS FUTURES

MATT CANDY

CEO

Steamology

---

18:00 -> 19:00 -> EVENING NETWORKING EVENT

---

20:00 -> END OF EVENT

---
